Agenda items	Actions
Survey of NP/PA-the demographic and role survey of APP's in AHS will be repeated. We will consent respondents so data can be shared publically.	M. Moriarty will review survey and update. She will send to APP section for review. Following group approval, survey will go to executive board who will approve this being sent to membership.
Suggestion for preconference at Scottsdale meeting. Gather information on best practices, e.g., ED pathways, pediatric care, transition from peds to adolescent care, documentation tools, detox protocols etc.	C. Barch will gather a group and put proposal together with intention of presentation at 2019 educational meeting. Deadline for submission early Spring 2019.
Journal club initiative has been nonstarter for several years. Group wants to pursue this as virtual offering where experience can be shared, PEARLS, and manuscript review for Headache or a journal with PCP focus.	L. Krasenbaum will contact Jason Roberts about using the group to review manuscripts for Headache
AHS/Medscape initiative is discussed-link shared (Lynda put link in) a call for volunteers to assist with case development or other educational offerings is made.	L. Krasenbaum will send information to the section membership in a follow up e-mail after next steering committee meeting
<p>Discussion to increase inclusivity and welcome new APP members. Suggested offerings scholarship to meeting as with residents, mentoring program for new members, use of AHS website to connect as a section.</p> <p>Group discussion on headache specialist designation. M. Moriarty relays contact with ANCC, they are not interested in supporting an exam.</p>	<p>M. Moriarty will reach out to K. Digre about "mentoring moment" opportunity at AHS to informally connect new and old members. Amy Tees will assist in development of this initiative. We will explore next steps in developing a bio sketch of members for use in clinical exchange A. Ehrlich will gather APP's for hike at Scottsdale.</p> <p>M. Moriarty will connect with AANP to determine interest in sponsoring an examination for APP's in headache.</p> <p>Howard Rosen (from board of directors) states support of organization for APP's. L. Krasenbaum is to reach out to him for further conversation on</p>

	how BOD can support group.
Increasing membership	Discussion with K. Digre about AHS signage at AAN, AANP, and other national meetings. Highlighting benefits of membership-educational resources, collaboration/mentorship with peers, publication opportunities
