

IN-PERSON EXPERIENCE FAQs

Do I need to show proof of vaccination?

Yes. When you pick up your badge at the registration desk, you will be asked to show proof of COVID-19 vaccination. You can do this using your paper card, a picture of your card on your phone, or through mobile apps. For a good list of ways to make a digital copy of your card, see this article: <https://www.washingtonpost.com/technology/2021/07/31/covid-vaccine-card-phone/>

I'm vaccinated. Do I need to wear a mask?

Yes. To minimize risk, we are asking all attendees to wear a mask. We are also providing outside monitors to allow attendees who need a break to enjoy some fresh air and stay connected to the content. You do not need to wear a mask when eating or drinking, but we ask that you do have it on at all other times while inside.

I was going to attend in person. Can I switch to virtual?

Yes! Let us know you want to switch, and we'll update your registration. There is no difference in cost.

VIRTUAL EXPERIENCE FAQs

How much content will be streamed live?

About 80% of the content shown at the Symposium will be live-streamed to the virtual audience. Those sessions, along with the approximately 20% of remaining content, will be available on-demand within 48 hours of the session via our mobile app/virtual event platform.

If I attend virtually, can I ask questions during live sessions?

Yes, our virtual event platform allows attendees to ask questions of the speakers and see the questions being asked by our in-person audience. You will even be able to text or video chat with any other attendee (virtual or in-person).

Can I claim CME for virtual attendance?

Yes! All sessions being offered in-person for CME credits will be available virtually and the process for claiming credits will be the same for all audience members.

I was going to attend in person. Can I switch to virtual?

Yes! Let us know if you want to switch and we'll update your registration. There is no difference in cost.

Is there a waiting list to attend in person?

No. We are not able to host a waiting list. However, we encourage you to sign up for the virtual experience to ensure you don't miss out on all the great content.

What do I need to attend virtually?

You can attend using either a computer with speakers/headphones or a smartphone and an internet connection.

If I attend virtually, can I get copies of the slides?

Yes. Each talk (where the presenter has approved sharing their materials) will have an area where slides and other handouts can be downloaded.

How long will the material be available online?

The Symposium content will be available for up to six months for registered attendees. We anticipate the material will be available until May 2022.

If you have any further questions, please feel free to reach out to us at ahshq@talley.com.
