

The International Headache Society Junior's group is proud to announce the brand new

IHS Junior Lottery event!

We will be offering a Junior travel grant to attend the next International Headache Conference (IHC 2023), to be held in Seoul, Korea, in September 2023. The grant will be awarded through a lottery held during major headache congresses in 2022, including the 64th Annual Scientific Meeting of the American Headache Society; the lottery is open to all Junior registrants who join IHS as a Junior member for the first time. The value of the travel grant is € 1,800 which will cover travel to Korea and accommodation; registration for the congress will be complimentary.

If you are interested in applying for the lottery, you will need to join IHS through the website: <https://ihs-headache.org/en/> and then send an email to Carol Taylor (carol.taylor@i-h-s.org) to request entry into the lottery draw.

The current criteria for IHS junior membership can be found here:
